Dear Mr

Thank you for your e-mail of 07/07/2008 9:07:14 AM and your earlier correspondence, in which you have requested various documentation under the Freedom of Information Act (FOI). I wrote to you in July to answer your request as fully as was possible at that time. I wrote to you outlining the information that could be disclosed and that which could not be disclosed and the relevant sections under the FOI act that had been considered in reaching that decision.

I wrote stating that we were undertaking further work to determine whether we were correct in our decision to withhold information on the basis that it had been supplied to us in confidence. This process has now been completed and I am writing to inform you that we have no further information to disclose. I understand that you have already requested a review into the responses to your FOI requests.

I have identified the dates of the correspondence that you have requested and have put them into the table in an annex to this letter.

Andrew Knight
